

Certified Industrial Ergonomic Evaluator (CIEE) CRITERIA

(Complete to add CIEE credentials to your name!)

By completing our Industrial Ergonomic Evaluator Training, which includes a quiz, low back ergonomic evaluation, and an upper extremity ergonomic evaluation, you will receive a certificate outlining your contact hours and recognizing your training and experience within the field of industrial, warehouse, and manufacturing ergonomics. Upon completing the course, you may add CIEE credentials to your name by applying to become a Certified Industrial Ergonomic Evaluator (CIEE).

To apply, visit www.occupro.net/certification to start the Application Package.

Application Package

The Application Package consists of the following materials:

1. Certification Application Form - 1
2. Professional Experiences Form - 1
3. Statement of Professional Ethics and Practice Form - 1
4. Professional Reference Form - 2
5. Report Submission Form - 1

Certification Criteria

The following criteria need to be met for certification:

1. Pass a 20-question quiz at the end of day 1 of the course and obtain an 80% score or better.
2. Perform the NIOSH Lifting Guideline and one other material handling evaluation (your choice) on day 2 of the course and obtain a score of 80% or better.
