

Certified Injury Prevention Specialist (CIPS) CRITERIA

(Complete to add CIPS credentials to your name!)

By completing our Injury Prevention Specialist Training, you will receive a certificate outlining your contact hours and recognizing your training within the field of injury prevention/early intervention. Upon completing this course, which includes a short test and hands-on demonstration of early intervention/injury prevention techniques, you may add CIPS credentials to your name by applying to become a Certified Injury Prevention Specialist (CIPS).

To apply, visit www.occupro.net/certification to start the Application Package.

Application Package

The Application Package consists of the following materials:

1. Certification Application Form - 1
2. Professional Experiences Form - 1
3. Statement of Professional Ethics and Practice Form - 1
4. Professional Reference Form - 2
5. Report Submission Form - 1

Certification Criteria

The following criteria need to be met for certification:

1. Pass a 20-question quiz at the end of day 1 of the course and obtain an 80% score or better.
